

the Good Garage Scheme

Using the Good Garage Scheme, you'll find local independent garages you can trust. Be assured that every garage listed performs services to a strict standard and will always have your best interests at heart.

We're run by Forté and are dedicated to driving up standards in the car service and repair market, ensuring consumers get a fair deal.

To find out more about Forté visit their website: www.forteuk.co.uk

Car Care

By learning a bit about how your car works and how to take good care of it, you can extend its life and prevent costly breakdowns.

Safe cars are less likely to be involved in an accident. Although modern cars now have many safety features built in, there are still many ways that you can ensure that your car is safe.

Car Service

What should you expect?

When organising a car service, it's important that you establish what the service includes.

Some garages will change only your oil filter, others will carry out a full service. A good garage will follow a service checklist and give you a copy of that completed checklist as confirmation of a job well done. Good Garage Scheme members carry out your service incorporating the Industry Standard Service Checklist.

Standish Service Station Limited was founded in 1958. Known as Delph Service Station with ESSO petrol on sale. As the garage continued to prosper additions were made. We had one of the first automatic car washes to be installed in the area.

We underwent a refurbishment in 1997 and also gained ISO9002 accreditation. This involved adding 5 workshop bays and modern reception and office area. We now have all the latest technology to deal with all aspects of vehicle repairs and recovery, including three courtesy cars, in order to keep our customers on the road 24 hours a day, 365 days a year.

We offer a number of Services including

- Brakes
- Exhaust
- Clutch
- Air Conditioning
- Batteries
- Tracking
- Diagnostics
- Courtesy Car
- Motor Homes
- Limousines
